## **Broadstairs Sailing Club Sailing Development Group 2022**

Following on from the successful introduction of the BSC Sailing Development Group in 2021 we will again offer sailing opportunities and coaching to members who have recently learned to sail and want to take the next step towards club racing and independent sailing. We would like to invite any BSC members who would be interested in joining this year's Sailing Development program to let us know so that we can keep you up to date with our plans and activities.

The sailing development program has been reviewed and improved using our experience and the group feedback from 2021.

We will begin with just one shore side session in the BSC Clubhouse on Saturday Morning March 5<sup>th</sup> for a refresher session and tips on sailing and racing at the BSC. There will also be a chance to discuss what we want from the sailing development program and to assess each sailor's individual needs.

You will see on the BSC sailing program web page that we have scheduled two Saturday mornings on the water in the weeks before the BSC RYA Training School sessions and three in the weeks following. We would encourage any one from last years development group and those that have completed Level 1 through last year's RYA training to join us for the first two sessions on April 30<sup>th</sup> and May 7<sup>th</sup>. This will be followed by the six BSC RYA Training School sessions for last years trainees who wish to complete the RYA Training Certificates and for any new sailors joining up for the first time.

The next three sailing development session are scheduled for June 25<sup>th</sup>, July 2<sup>nd</sup> and July 16<sup>th</sup> when we will welcome the 2022 BSC RYA Training School graduates from Level 1 and above to join the Sailing Development Group. This will be a great opportunity to get some sailing experience hours recorded into your RYA Training logbooks.

This program is only open to BSC club members and as such there is no charge for Development Group coaching. Members wishing to use club boats may do so following the existing booking terms and conditions.

I will email all of those who participated in 2021, however if you are new to the BSC Development Group please register your interest by sending an e-mail to [sailing@broadstairssailingclub.com](mailto:sailing@broadstairssailingclub.com)
